

Why Preventive Care?

It's a fact that pets age more quickly than people, and believe it or not, pets of any age can have underlying issues. To ensure they are in great health and living their best lives, annual physical exams help our veterinary team understand what changes are happening on the outside of a pet. Preventive care diagnostics help tell us how healthy they are on the inside. Early detection allows us to monitor for signs of health issues to ensure we can proactively reduce or even eliminate expensive treatments later on. That's a big deal!

What if everything is normal? Let's celebrate that!

If you have any questions on how preventive care can help your pet, please ask us.

How it Works

We appreciate your loyalty and would like to help you take care of your pets. When you sign up for the new Cranbrook Veterinary **Paws-itive Points Program**, for every \$100 pre-tax you spend on professional services or parasiticide medications, you will receive 1 Paws-itive Points coin that can be redeemed for the following preventive care services;

Wellness/Annual Exam
Senior Pet Annual Exam
Senior Pet Bi-annual Progress Exam

4 coins redeemed for

\$ 20 OFF

15 coins redeemed for

\$ 75 OFF

**Senior Pet Blood Screen with Thyroid
and Urine**

18 coins redeemed for

\$ 90 OFF

**Dental Cleaning Only (does not include
xrays or extractions)**

20 coins redeemed for

\$100 OFF

**\$100 spent (pre-tax)
= 1 Paws-itive Point coin**

Earning Care Coins

- Paws-itive Points care coins are awarded based on the total cost of the professional services and parasiticide prescriptions itemized per invoice
- Invoices cannot be combined
- Food, treats, retail products and non-parasiticide prescription medications are not eligible to collect Paws-itive Points coins at this time
- Paws-itive Points coins can be redeemed on eligible preventive care services only
- Paws-itive Points coins can be redeemed for any pet in the same household
- Paws-itive Points coins cannot be transferred to another person
- One Paws-itive Points coin redemption per eligible service

Program Duration

This program will run from April 2025 until April 2027. Paws-itive Points coins not redeemed within that time period will expire.

Please be aware that the terms and conditions of the Paws-itive Points program may change at any time. Clients will be given 3 months notice prior to any changes.
